Dear Patient,

You have been scheduled for a bone scan study. A bone scan study is comprised of two main components: A **dexa scan and an IVA (intra vertebral assessment) CPT-77085**. Both procedures are required to complete this test in its entirety.

Please contact your insurance carrier with the above listed CPT codes to check your insurance coverage for the above study. If we can be of service to you with any questions, please do not hesitate to call us at (603) 624-1638.

Thank you,
